Re: Commission briefing agenda item for Tuesday, August 3rd

To the Honorable Greene County Commission,

I am making an official request to regrade the positions in my office. I wanted to give you the luxury of a little background information ahead of time, so you can be thinking ahead.

Please note, this has nothing to do with recent conversations regarding a salary study. Nor is this request related to any external comparisons. This is simply a matter of internal equity. If we do enter into some type of salary restructuring in the future, it is important to do so with like positions already graded the same. Also, during these times of difficult retention, internal equity is more important than ever. Otherwise, offices desperate to find help will poach employees from another office if they can offer higher pay for the exact same type of duties.

Currently I have an accounting clerk that is a grade 9. She is the accounts receivable specialist for the county. The accounting specialists (entry level position in the Auditor's Office chiefly responsible for accounts payable), is a grade 10. There is also an accounts payable coordinator for Road & Bridge that is also a 10. Accounts receivable accounting is every bit as complicated as accounts payable. There is auditing, special handling, and investigation involved. My folks do accounts payable work also, as well as all the banking responsibilities. These are all professional accounting positions, and should have all been graded the same from the beginning.

Then there is my deputy treasurer. She is my right hand, and the chief deputy treasurer for the county. This is a huge responsibility. I am quite certain all deputy positions in the county are graded between 13-17, even in the very small offices. Mine is graded at 10. This inequity has been pointed out to me by supervisors in other offices over the years, but I have never addressed it. I simply must ask this be bumped to at least 12 at this time.

I look forward to discussing this with you in greater detail at the briefing next week.

Thank you,

Justin Hill
