**Voter Registration Deadline for November 2022 Election –
Wednesday, October 12**

Springfield, MO - Greene County Clerk Shane Schoeller reminds all eligible Greene County residents that they have until 5:00 pm on Wednesday, October 12 to register to vote with eligibility for the General Election on Tuesday, November 8. To register to vote, residents may visit the Office of the County Clerk in the Historic Courthouse at 940 N Boonville Ave, Room 113 in Springfield, any Missouri Department of Revenue vehicle license office, or any branch of the Springfield-Greene County Library. Mail-in (postcard) registrations will also be accepted if postmarked by Wednesday, October 12. Voter registration information is also available online at https://greenecountymo.gov/county_clerk/voter.php.

A person applying to register with an election authority or a deputy registration official shall identify himself or herself by presenting a copy of a birth certificate, a Native American tribal document, other proof of United States citizenship, a valid Missouri driver's license, or other form of personal identification at the time of registration.

Under state and federal laws, registered voters are not disqualified for moving within a county, but Schoeller urges anyone who has moved or has changed his or her name to contact the Office of the County Clerk as soon as possible to avoid unnecessary delays and help ensure a better voting experience on the day of the election. These changes must be completed in writing.

The election on November 8 will list candidates for county, state, and federal offices, as well as one issue in the City of Springfield, one issue in the City of Strafford, and five statewide issues. Sample ballots are available in the Office of the County Clerk and online at <https://vote.greencountymo.gov/>.
