### **Virtual Meeting Protocols and Process**

The **October 3rd, 2022** Greene County Commission meeting will be conducted both virtually and at the Historic Courthouse.

Greene County encourages public participation in its virtual meetings. To participate in the Commission meeting on **October 3rd, 2022**, which begins at 9:30 am, you have the following options:

#### **1. Provide public comment prior to the hearing:**

You may send written comments to Greene County Planning & Zoning at 940 North Boonville Avenue, Springfield, MO 65802 in advance of the meeting. Those written comments will be added to the file and provided to the Board before the hearing. Comments may also be emailed to [resourcemanagement@greenecountymo.gov](mailto:resourcemanagement@greenecountymo.gov) up until the day of the hearing. WebEx instructions:

For the **October 3rd, 2022** meeting, please use the meeting link

<https://gcmo.webex.com/gcmo/j.php?MTID=m8f08fcc948075f60cce15f6d5d633b67> to virtually attend and watch the meeting by computer, tablet, or smartphone. If joining from a tablet or smartphone, you will need to download the free WebEx app from your device's app store. If joining from a computer, your computer will automatically download and install (if needed) the WebEx program. If you currently have WebEx installed on your computer, tablet, or smartphone, you may join the meeting by entering the meeting number **2480 558 8196**. In the event you encounter difficulties in participating, please check the County's website for any updated information. *Accessing the Planning & Zoning page of the County's website and clicking the link provided for the Commission hearing will be much easier than typing the meeting link above into your browser.*

When you join the meeting your microphone, or your ability to be heard by all the other participants, will be muted. There is a feature within the software that allows you to "raise your hand" so the host of the meeting can call upon you to testify. This must be done so that there are no distractions or disruptions to the meeting from accidental or intentional background noise. The Presiding Commissioner will still have the ability to declare that a participant is out of order and silence their microphone.

### **3. Join the meeting via phone:**

You may join the meeting from your phone by dialing **1-415-655-0001** and when the access code is requested, enter **2480 558 8196**. Staff will mute your audio so that your voice will not be heard until it is time to speak on a particular case. At that time staff will unmute telephone participants and those wishing to speak to a particular case should speak up so staff can identify them. If multiple telephone participants wish to speak on a particular case staff will randomly choose a speaker and continue until all telephone participants have had the chance to speak. To be able to more clearly let staff know when you wish to speak on a case we recommend using the web version of the WebEx software which will allow you to "raise your hand" virtually and indicate to staff your intention to speak.
