

Great Game Huddle Notes

January 30, 2018

Today is the 5th Tuesday of the month so the huddle consisted of playing Jeopardy, hosted by Justin Hill. The answers are based upon information learned in previous huddles.

Contestants were:

Mike Crawford	Assessor
Laura Merriman	Purchasing
Chris Mericle	Purchasing
Kami Johnson	HR
Michelle Jincks	HR
Tyler Goodwyn	Environmental

The top 3 winners were Chris Mericle, Laura Merriman, and Tyler Goodwyn.

A ball made with Saran Wrap and filled with prizes was used to play a game. You had to roll doubles to get a chance at unwrapping the ball to get a prize. The dice went to the next player who rolled while the person with the ball kept unwrapping. Once the dice hit doubles the ball was passed to that player. As an added touch, the Saran Wrap was very difficult to unroll. It was action packed and fun to watch. Our little Laura became a lioness while playing the game! Laura unwrapped the last prize but prizes were had by all.

Justin Hill used some of the questions and answers as opportunities for reviews of county information.

The game lasted the entire 30 minutes of huddle time.

Many thanks to Justin Hill, Rhonda Sneed, and Penny Griffin for their hard work to put together the Jeopardy stage.
