

## **Huddle Minutes**

### **May 29, 2018**

Angie Crews opened today's meeting and helped everyone join Harold in singing Happy Birthday to Cindy Stein! Happy 60<sup>th</sup> Cindy!!!

Greene County Treasurer Justin Hill, aka: Jeopardy Game Show Host, introduced the 4 "willing" participants for today's fun and laughter:

- Melissa Denney from the Highway Department
- Kami Johnson from Human Resources
- Skylar Desa from IS
- Michael Crawford from the Assessor's Office

Jeopardy categories consisted of knowledge we all may have learned over the past couple of months at recent Huddle Meetings and/or in the county Rotunda: County Trivia, Character, Community and Public Safety

Round 1 results: Melissa had 1,100 points, Kami had 1,000 points and Skylar and Michael tied with 800

- Side note: You can now text 911 in an emergency situation within Greene County, with the preference still to call 911, if capable☺

Tie Breaker Round was the Fortune Cookie Challenge between Melissa and Kami with the winner going home with a gift card to CreAsian!

Rules of the game: Melissa and Kami both chose a prepositional phrase to use at the end of their fortune (cookie), with the audience judging the winner as to who put the best "twist" on their fortune...

- Melissa chose "in an altered state of consciousness," with her fortune reading "A small act of charity will go a long way IN AN ALTERED STATE OF CONSCIOUSNESS!"
- Kami chose "in the bathroom" with her final fortune reading "Focus on your long term goal, your wish will be granted IN THE BATHROOM!"

In the end, audience members agreed that it was a tie, with both Melissa and Kami going home with a gift card!!
