

**Huddle Notes**  
**December 24, 2019**

In today's huddle Angie Crews, Senior Deputy Auditor had us share in some good fellowship regarding holiday traditions. We were also encouraged to enjoy a cup of hot chocolate. After several folks shared some fun and interesting traditions, we had an excellent reminder of the secrets to success from a speech given by Arnold Schwarzenegger.

**5 Rules on How to be Successful**

**1. Find Your Vision**

Follow it  
Have a clear vision or goal to where you want to go  
If you don't have one of these, you're just floating around

**2. Never Ever Think Small**

Reach for the stars  
Never think small, Think big  
To accomplish you're goal, you can't be afraid of failing

**3. Ignore the Naysayers**

Good to have big goals, and a big vision  
Don't let the negative people stop you  
No pain, no game

**4. Work your Ass off**

You never want to fail because you didn't work hard enough  
No pain, no gain  
Early to bed, early to rise

**5. Don't Just Take, Give Back**

Look beyond the big mirror and give something back

It is up to us, have a vision, think big, ignore the naysayers, work your butt off, give back, and change the world! If not us, who and when?

-Arnold Schwarzenegger
