INFORMATION REGARDING PUBLIC IMPROVEMENTS

By my signature below I certify that I understand the following:

1. Public Improvements (sidewalks, curbs, driveways, and/or driveway entrances, streets and all other public improvements on right-of way property) must be installed, inspected and approved by Greene County in accordance with adopted design standards.
2. Should any damage(s) occur to any of these improvements during construction, it is my responsibility as the permittee to repair these damage(s) in accordance with the Greene County Design Standards.
3. Greene County Highway Department **MUST be notified twenty-four (24) hours BEFORE:**
 - a. Any concrete pour for driveway and/or sidewalks on right-of-way
 - b. Installation of any culverts on right-of-way. **Phone number for Highway Department is 417-831-3591.**
4. Any damage(s) must be repaired and accepted by Greene County Highway Department or the utility owner before a final inspection will be conducted.
5. A Certificate of Occupancy will not be issued until all damage(s) are repaired and approved.

By my signature below, I certify that I am the permittee or his/her legally authorized representative and I am in agreement with the above.

Greene County Building Site Plan

Please note that failure to provide the below information will result in your application being rejected

Please use this space to sketch a drawing of the property.

Does not need to be drawn to exact scale but MUST be legible and drawn clearly.

☐ Check here if the sketch is attached on a separate document instead of this form.

Sketch must include labeling the location, dimensions, and distance from property lines of existing and/or proposed:

- Proposed Structure **MARKED WITH P**
- Septic tank and lateral field area
- Wells If a shared well, show location of well to be used
- Distances to all property lines from proposed structure
- Distances from proposed structure to other structures, septic tank, lateral field, well
- Driveways, along with all access points to the property
- Porches, decks, pools, garages, carports, out-buildings, and other structures. **EXISTING STRUCTURES MARKED WITH E**
- Location of Overhead Power lines
- Location of Fill Dirt if applicable
