

Huddle Notes

Traveling Huddle (Highway Department)

Tuesday, September 20, 2016

8:12am

Good morning from the Greene County Highway Department!

The huddle group received a warm welcome from our host Rick Artman, Highway Administrator.

Rick started with some quick facts about the Highway Department. They are responsible for maintaining the over 1,257 roadways, 214 bridges, 655 culverts, and 438 pieces of equipment (cars, trucks and heavy equipment).

The outstanding Highway Crew have multiple duties:

- Build and maintain roads and bridges

- Improve old roadways to accommodate more traffic and improve drainage

- Replace deteriorated bridges

- Work with property developers to design their roads within County guidelines

- Install and maintain traffic signals and signage
