

Call to Order:

Debi, Mark and Colleen met online for this meeting.

Announcements and Updates:

- Next week our meeting is just for the Cabinet. We got the AAR for the MARC exercise and we will be discussing that. Debi will send out an agenda for the Cabinet meeting on 12/14/22.
- We discussed whether or not to have a presentation at every COAD general membership meeting. Debi noted that the speakers who present are often from the agencies that would be at a MARC.
- Debi re-sent the PPT from the last general membership meeting to Colleen so she can send it out with the notes.
- We will check with Aubrey to be sure we know the date of the exercise that is coming up in the spring. We think it is March 22 or 23.
