Transparency Portal
Frequently Asked Questions (FAQ)

❖ **The Budget totals do not appear to match, why?**

— *There are currently two funds that are included in the total budget by law, however, they do not appear in the Transparency Portal since they are simply passed on to the other agencies.*

— *The Adopted Budget is a living document and the starting plan for funds for the year. There are potential budget adjustments that can be made after the adoption.*

❖ **The 2019 budget show expenses in excess of revenues, what is the story behind the number?**

— *Bond Revenues were received in the previous year and the project expenses are budgeted in the current year.*
