Sanitary Sewer Funds:

- Harold Bengsch, Jeff Scott and Tina Phillips were here today to talk to the Board about helping Senior's with their sanitary sewer bills.
- Harold said that there are seniors in Greene County with septic tanks who do not have the funds to replace. Tina told us about one individual who is on a fixed income and trying to pay hospital bills. He cannot make his sewer payment. When this happens they are turned over to the Collector's Office, which could cause them to lose their homes.
- After much discussion between Senior Board, Cindy, Jeff, Tina and Harold it was determined the Board need more information on numbers of seniors affected and potential costs. Jeff and Tina will obtain this and get back with the Board.

- The Board said it would be best if one of the agencies who we provide funds to could help with this. Tina said she would check contact Senior Age and OACAC.
- Until the Board hears back from Jeff and Tina no decision was made.

- The Board presented to Krissy Sinor a plaque for her outstanding service to Greene County seniors and the Senior Board.
