Questions/Answers

1. I just want to clarify the scope of this RFP as it looks like it's for a maintenance agreement of your current system but then asks for pricing on access control and new cameras. Are you going to be replacing the current system during this 5-year term? Can you clarify with me what this RFP is asking for?
Refer to Section 5.0, Item 1. Description of Services on page 9 of the RFP. Scope includes replacement of equipment if required to ensure continuous, compliant, and reliable operation. The County does not have plans to replace the current system in the next five years.
2. Is there an option to provide a substitution for the camera platform? In other words, an alternate to Genetec.
No.
