➤ This is not an exemption of real estate taxes. You still pay real estate taxes each year.

➤ If approved, you will not see any savings in the calendar year you apply. Your approval year establishes the 'base' year to which future taxes are set to be 'frozen'.

➤ Future capital improvements to your property will result in those improvements being assessed and taxed in the year in which they occur separately from your frozen amount.

➤ **Approval applies to a single parcel number only. The credit is not transferable to any other parcel number for any reason.**

➤ Digital signatures are invalid on this form. Digital signatures are only accepted for the 'Apply Online' option on our website.
