Sales Tax Allocation

| | | % Total by | Cost per \$100 |
|---|--------|--------------|-------------------|
| Description | % Rate | Jurisdiction | purchase |
| State General Revenue | 3.000 | | |
| State Conservation | 0.125 | | |
| State Education | 1.000 | | |
| State Parks & Soils | 0.100 | 4.225 | 4.225 |
| City Capital Improvement | 0.250 | | |
| City of Springfield | 1.000 | | |
| City Police & Fire Pension | 0.750 | | |
| City Transportation | 0.125 | 2.125 | 2.125 |
| County GR I (50% to GR, 50% to Roads) | 0.500 | | |
| County GR II | 0.500 | | i i |
| County 911 | 0.125 | | |
| County LEST I (62% to Other Municipalities) | 0.250 | | |
| County LEST II | 0.125 | | |
| County Park Tax I (100% to Other Municipalities) | 0.125 | | |
| County Park Tax II (100% to Other Municipalities) | 0.125 | 1.750 | 1.750 |
| Total Sales Tax | 8.100 | | \$ 8.10 |

Everyone knows how sales tax is collected. You see it at the cash register every time you purchase groceries or an item at your favorite store. For example, every \$100 spent generates \$1.75 for Greene County.

Of that amount, .53¢ is allocated to other municipalities and the remaining \$1.22 is used for all County operations.

*Note: There may be special districts such as a Community Improvement District (CID) or Tax Increment Financing (TIF) that would affect the rates
