

# KANSAS EXTENSION LOCATION STUDY

## STUDY AREA SOUTH - INITIAL CONSTRUCTION\*

\* The information shown on this drawing is for illustration purposes only and is intended to depict the general location and type of road planned for the region. The indicated information represents initial construction activities including a phased construction approach that utilizes an **interim two-lane roadway**. The specific geometry, alignment, and dimensions are subject to change. The roadway geometry will not be finalized until after the approval of the Environmental Assessment and the completion of more extensive detailed design.
