Daily Briefing 03/24/17 @ 9:00 a.m.

Attendance: Commissioner Bob Cirtin, Commissioner Harold Bengsch, Commissioner Lincoln Hough, Trysta Herzog, Tina Phillips, Cindy Stein, Jeff Scott, Chris Coulter, Christina Rider, Tami Flippin.

Harold Bengsch opens the meeting with information on a Grant application for Suicide Prevention in our community. Community Partner of the Ozarks will be providing the avenue. Commissioner Bengsch explains that the Auditors office as well as the Budget office is present to see what the county's obligation will be.

Christina Rider a Psychology grant writer for Missouri State. Informed the Commissioner of the upcoming deadline for this application which is on 04/04 and how it must be backed by a government entity which is why they need the Commission to agree to it.

## Tami Flippin-Library Funding

Tami explains the history of the grant to the Commission, explains the Safe To Tell grant was created after Columbine shooting, explains stats on anonymous call line the schools are working to educate the students about open and honest communication. Planning grant would be 15 months is the plan is a success could get anywhere from 500k-800k.

## Tina Phillips and Cindy Stein

Explained the grant proposal in detail. Questions were asked about timeframe since it is 10 days away. Christina Rider is confident that with Greene counties help to coordinate with forms will be able to finish everything by 04/04. Cindy Stein addressed Ms. Rider with questions about the grant specifics. Would Community Partner of the Ozarks be able to cover expenses for 3-6 months? Ms. Rider will follow up with Community Partner of the Ozarks. Ms. Stein asked about Administration Fee Ms. Rider explained it is 15%. Would we have to ask if we would have to resubmit the grant yearly? Ms. Rider explained that we would but only would have to update information and won't be nearly as competitive.
