Greene County Commission
Commission Briefing Minutes

Monday, September 23, 2019
08:00 AM
Circuit Court
1010 N. Boonville Ave.

Attendees: Bob Dixon, Harold Bengsch, Chris Coulter, Megan Applegate, Rick Artman, Kevin Barnes, Rob Rigdon, Dan Patterson, Julie Watson, Donna Barton, Sheriff Jim Arnott, Major Phil Corcoran, Cindy Stein, Franz Williams, and Jason Wert.

Informational Items

Prosecuting Attorney: Dan Patterson updated the Commission that between January and August his office was up 14% on felony case filings and up 8% on misdemeanor case filings. Patterson explained that the Springfield Police Department is looking into getting their officers body cams. Patterson explained that given the amount of officers SPD has the time it would take to watch the video footage would require additional prosecutors. Patterson stated he planned to talk with SPD about the additional staff that would be necessary to complete a case involving bodycams. Commissioner Bengsch asked the status on the Tefft building and Patterson and resource management director Kevin Barnes explained that tomorrow there is a final HVAC check. Closing date on the Tefft property will be October 21.

Other:

Highway Director Rick Artman had concerns of the traffic repeal that was recently voted on by Commission. Artman has concerns that by repealing this code it would prohibit the highway department to post speed limit signs in school zone areas and platted sub divisions.

Sheriff Jim Arnott gave an update on jail population. Current inmate population is 944 with 168 inmates housed out of the county.

With no other business the meeting was adjourned, and Patterson gave a tour to the Commission of the Family Justice Center.
