## 2<sup>nd</sup> Round of Funding –Proposal #2

Due to concerns that there is not enough time to process the applications that already exist, we recommend combining the second round of funding with the first round on items approved from this point forward. We also recommend beginning to process the 2nd round of funding for those already paid. We recommend these payments be made at the discretion of County staff based on the documentation already submitted by the applicants without the need for further individual votes on each business, but with adherence to the following guidelines:

The second round of funding shall be equivalent to the first, but capped at \$20,000. It should only be made available to businesses that meet the following criteria:

1. Were not awarded their full request in round 1.
2. Having a brick and mortar location for their business for which they had to pay expenses such as rent and utilities during the shutdown (excludes those with home based business).
3. Have clearly demonstrated lost revenue (need) in excess of first round of funding.

### **Section 10 – Symptom Questionnaire and Risk Assessment**

If a pandemic event is declared, both the Springfield-Greene County Health Department and Centers for Disease Control websites will provide information regarding common symptoms and how to perform a risk assessment. Employees should consult these resources and follow the protocols stated to notify community health care facilities and seek treatment if necessary.

### **Section 11 – Face Coverings**

County employees shall wear a face covering or mask in all public areas of County buildings during citizen contact and/or in any common or work space when social distancing of six (6) feet or greater is difficult to maintain. Employees of the County are not required to wear a mask or face covering at their individual work space if they can maintain social distance between themselves and other county employees or members of the public.

Public areas include, but are not limited to lobbies, elevators, stairwells, restrooms, public corridors, office counters, and offices.

The only persons exempt from the requirement to wear a face covering or mask are: (1) those who provide documentation that for health or medical reasons, they are unable to wear a face covering or mask; and (2) persons who are hearing impaired, or persons who are communicating with a person who is hearing impaired when the ability to see the mouth is essential for communication.
