**A RESOLUTION AND ORDER OF THE
GREENE COUNTY COMMISSION
SPRINGFIELD, MISSOURI**

DATE ISSUED: November 24, 2020

SUBJECT: **Resolution and Order
Regarding the Greene County Personal Property Tax Book**

WHEREAS, pursuant to the requirements set forth in RSMo 137.245 on August 10, 2020 at 11:08 a.m. the Assessor of the County of Greene delivered the Personal Property values of the Assessor's Book to the Clerk of the County of Greene; and,

WHEREAS, pursuant to the requirements set forth in RSMo 137.290, on August 20, 2020 at 8:37 a.m. said County Clerk, having received said Assessor's Book, caused the form 11a to be certified to the State Commission based on the assessed values therein; and,

WHEREAS, the Greene County Information Services Department has been given charge by the Commission of the County of Greene, upon the request of the County Clerk, to copy the certified 11a assessment values from the Assessor's Book, in electronic format, into the County Collections program held and maintained by the Collector of the County of Greene so that the tax liabilities might be calculated therein and used by said County Collector to create Tax Statements for the citizens of Greene County; and,

WHEREAS, having been requested by said County Clerk to produce from the Assessors Book the discrete data set used to certify the 11a values at the above-mentioned date and time, the director of the Greene County Information Services Department affirmed to the County Clerk that the discrete data set is no longer in said department's possession as a discrete data set; and,

WHEREAS, RSMo 137.265 states that "An assessment of property or charges for taxes thereon shall not be considered illegal on account of any informality in making the assessment, or in the tax lists, or on account of the assessment not being made or completed within the time required by law"; and

WHEREAS, said director of the Greene County Information Services Department has affirmed that the data for the Greene County Personal Property Tax Book cannot be reconciled with the original 11a values the County Clerk certified to the State Tax Commission, to ensure accuracy, without the above-mentioned discrete data set;

NOW, THEREFORE, be it resolved, on motion duly made and seconded, the question having been called and Commissioner Bengsch having voted **YES**, Commissioner Russell having voted **YES**, and Presiding Commissioner Dixon having voted **YES**, that a state of conditions now exists in which it is necessary, for the benefit of Greene County taxpayers, that an informal process be established, pursuant to the allowance for said informalities existing in RSMo 137.265, for the purposes of equalizing a new set of 11a personal property values; and,

BE IT ORDERED, that the Greene County Board of Equalization convene an extraordinary session, as elsewhere similarly described in RSMo 137.250, on November 30, 2020, at 1:30 p.m., for the purpose of equalizing a new set of 11a values to serve as the basis for the Greene County Personal Property Tax Book; and,

IT IS FURTHER ORDERED, a copy of this Resolution and Order shall be filed in the office of the Greene County Clerk before 5:00 p.m. this date and copies of said order shall be printed and available for distribution to the public in the Office of the County Clerk.

ADOPTED BY THE GREENE COUNTY COMMISSION this 24th day of November, 2020 at 9:10 o'clock 9:10 A.M.
